STAINLESS PRO

DIRECT

90 | 120 | 150 | 180 | 210 | 250 | 300 LITRES

KEY FEATURES

- Designed with flat top to increase insulation
- Aligned tapping positions promote easier installation
- Colour matched components for visual appeal
- Wide base to improve unit stability
- Durable rubber connection labels and caps with foam retention
- External expansion allows for installation in height restricted areas and easier servicing
- Suitable for use with economy electricity tariffs to maximise efficiency

GLEDHILL CYLINDER WASHING **MACHINE FRAME**

COMPATIBLE WITH: CYLINDERS BETWEEN 120L - 250L

Product Features:

The Gledhill washing machine frame perfectly accommodates all of our Platinum Direct cylinder sizes as well as over 50% of our Platinum Indirect cylinders. In addition, our washing machine frame is suitable for nearly all our Stainlesslite Plus 120L - 250L hot water cylinders as well as our Stainless ES and Gledhill Stainless Pro cylinders between 120L and 250L in size.

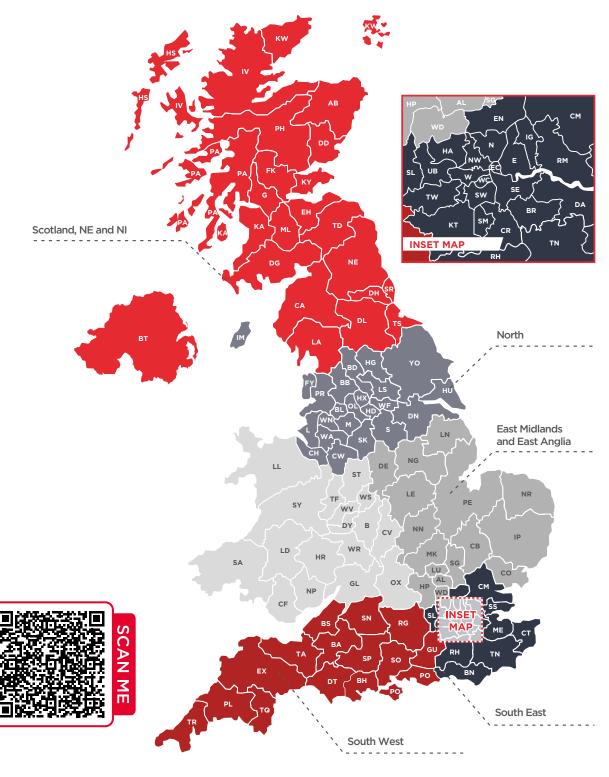

Designed with space saving efficiency in mind for new build homes as well as apartments our washing machine frame comes flat packed and when built up has a height of 910mm, width of 670mm and depth of 600mm making it the perfect solution for any space restriction issue.

- Engineered from steel for stability
- Accommodates 120L 250L cylinder sizes
- Arrives flat packed and built in minutes
- Solution for space restrictions in new builds and apartment complexes
- Designed for all cylinder ranges including Platinum
